Our Mission

The entire Med-Search Team commits itself to the highest standards of confidentiality, integrity, and professionalism.

Each of our business units succeeds because of our specialized needs analysis & assessment model, unique sourcing methods, and our competitive intelligence research programs. A thorough understanding of our client's profile, company culture and vision for the future is key when identifying the core competencies for each search.

About Us

Med-Search Recruiting is an Executive Search firm dedicated exclusively to Healthcare Workforce Management Solutions. We recruit professionals within the medical device, surgical, capital equipment, biotechnology and pharmaceutical services arena.

With 20 years of experience and 71 affiliate offices across 50 states, the recruiting experts at Med-Search will use our resources to help each of our clients employ the right talent for your company. Choosing the Executive Recruiting Team of Med-Search is the 1st step in building a long-term productive recruiting partnership.
